

Report card Annalie Basson

Responsible for: Resource centre, Academic Standards

Assisted by: Switzerland, UK and South Africa

Tasks: Continually upgrading resource centre with the help of Per Kjaer
Developing a monitoring process with the help of the SC

Present activities:

- Changed the format of information for the Resource Centre slightly
- Linked resource centre to research centre to avoid duplication
- Establishing timelines for the monitoring process
- Alison Rushton, of the SC, finalised the monitoring document and this will be part of the Standards Document.

Future Activities:

- Ask MO's to update information for Resource centre
- Inform MO's of timelines for monitoring process and make sure they understand what is required of them
- Start monitoring process (The SC does the work!).
- Encourage RIG's to become full members
